Journal of Educational Research

EDITORIAL BOARD

A. S. BARR, *Chairman, Professor of Education, Madison 6, Wisconsin*

E. J. ASHBAUGH, *Dean, College of Education, Miami University, Oxford, Ohio.* Teacher Training.

LEO J. BRUECKNER, *Professor of Education, University of Minnesota, Minneapolis, Minnesota.* Elementary Education.

EARL R. DOUGLASS, *Director, School of Education, University of Colorado, Boulder, Colorado.* Secondary Education.

CARTER V. GOOD, *Professor of Education, University of Cincinnati, Cincinnati, Ohio.* Teaching, Learning, and Supervision.

A. K. LOOMIS, *Director, School of Education, University of Denver, Denver, Colorado.* Curriculum Construction.

DOUGLAS E. SCATES, *Associate Professor of Education, Duke University, Durham, N. C.* Educational Administration.

PERCIVAL M. SYMONDS, *Professor of Education, Teachers College, Columbia University, New York City.* Mental Hygiene and Pupil Adjustment.

CLIFFORD WOODY, *Director, Bureau of Educational Reference and Research and Professor of Education, University of Michigan, Ann Arbor, Michigan.* Measurements, Statistics and Research Techniques.

VOLUME XXXVIII

September, 1944–May, 1945

INDEX

Volume XXXVIII, September, 1944–May, 1945

Listed Under Articles and the Authors

Administrators Evaluation of Curriculum Improvement, Herbert B. Bruner, 258–261.
Aldunas, Leo J., Needed Research in Teacher Mental Hygiene, 653–665.
An Analysis of Reading Abilities, Kathryn Harriett Burkart, 430–439.
Anderson, Howard C., An Experiment in Teaching Certain Skills of Critical Thinking, 241–251.
An Experiment in Teaching Certain Skills of Critical Thinking, Howard C. Anderson, 241–251.
An Outline Chart on Types of Tests, Amo De Bernadis, 612–616.
Antell, Henry, Teachers Appraise Supervision, 606–611.
Are We Developing Skill in Purposeful Fact Collecting? Kimball Wiles, 617–623.
Ashbaugh, E. J., Some Notes Regarding the First Eight Years of the Journal of Educational Research, 326–328.
A Study of the Learning and Retention of Materials Presented by Lecture and by Silent Film, Clarence D. Jayne, 47–58.
A Test Relating Educational Theory and Practice, C. Robert Pace, 9–17.

Birth of the Journal of Educational Research, W. W. Charters, 321–325.
Bloom, Benjamin S., Some Major Problems in Educational Measurement, 139–142.
Bolton, Floyd B., Evaluating Teaching Effectiveness Through the Use of Scores on Achievement Tests, 691–698.
Brownell, William A., When is Arithmetic Meaningful? 481–498.
Brueckner, Leo J., Contributions of the Journal with Special Reference to Elementary Education, 341–345.
Bruner, Herbert B., Administrators Evaluation of Curriculum Improvement, 258–261.
Burkart, Kathryn Harriett, An Analysis of Reading Abilities, 430–439.
Burton, Martha V., Effect of College Attendance Upon Personality as Measured by the Bernreuter Personality Inventory, 708–712.

Charters, W. W., Birth of the Journal of Educational Research, 321–325.
Chart to Facilitate the Estimation of the Coefficient of Partial Correlation, F. C. Paschal, 220–222.
Classroom Teachers Improve the Personality Adjustment of Their Pupils, Charles D. Flory, 1–8.
Comparison of Children of Premature and Full Term Birth Who Fail in Reading, Thomas H. Eames, 506–508.
Contribution of the Excursion to Understanding, Dwight K. Curtis, 201–212.
Contributions of the Journal with Special Reference to Elementary Education, Leo J. Brueckner, 341–345.
Credit by Examination: Present Use and Future Need, S. L. Pressey, 596–605.
Curriculum Construction in the Journal of Educational Research, Arthur K. Loomis, 565–570.
Curtis, Francis D., Mathematical Vocabulary Used in Secondary School Textbooks of Science, 124–131.
Curtis, Dwight K., Contribution of the Excursion to Understanding, 201–212.

De Bernardis, Amo, An Outline Chart on Types of Tests, 612–616.
Decimal Usage in the Occupational World, Garland B. Russell, 633–638.
Dickenson, Henry F., Identical Errors and Deception, 534–542.
Difficulty Ratings of Addition Facts as Related to Learning Method, Esther J. Swenson, 81–85.
DiMichael, Salvatore, Effects of Two Years of War on the Four-Year Catholic Women's College, 543–553.
Directional Tests for Educational Guidance, Forrest H. Kirkpatrick, 143–145.
Douglass, Harl R., Twenty-Five Years of Research in Secondary Education, 346–350.
Duell, Henry W., Study of the Comparative Achievement of Summer High School and Regular High School Students, 509–521.

Eames, Thomas H., Comparison of Children of Premature and Full Term Birth Who Fail in Reading, 506–508.
Economics and Business Administration Offerings in Negro Colleges, Mabel M. Smythe, 298–312.
Educational Measurement in 1920 and in 1945, Walter S. Monroe, 334–340.
Educational Measurements and Evaluation, Verner M. Sims, 18–24.
Effect of College Attendance upon Personality as Measured by the Bernreuter Personality Inventory, Martha V. Burton, 708–712.
Effect of Context on Learning a French Vocabulary, C. L. Morgan, 213–216.

Effect of Instruction in Mathematical Vocabulary upon Problem Solving in Arithmetic, Harry C. Johnson, 97–110.
Effects of Two Years of War on the Four-Year Catholic Women's Colleges, Salvatore G. DiMichael, 545–555.
Hiassen, R. H., Pretraining Selection of Teachers During 1940–1943, 666–677.
Equalization of School Support Among States by Federal Matching, Erick L. Lindman, 580–595.
Essential Relationships Between Reading and the Subject Fields or Areas of the Curriculum, Gerald A. Yoakam, 462–469.
Estimating the Quotient Figure, Harry Karstens, 522–528.
Evaluating Teaching Effectiveness Through the Use of Scores on Achievement Tests, Floyd B. Bolton, 691–698.
Evaluation of Rural Community Planning in Relation to the Curriculum of Rural Education, C. E. Raesdale, 286–290.
Evaluations of the Experiment with the Activity Program in the New York City Elementary Schools, J. Wayne Wrightstone, 252–257.
Experimental Investigation of the Relation Between Reading Training and Achievement in College Composition Classes, Ernst G. Mathews, 499–505.

Factors Associated with Successful Achievement in Problem Solving in Sixth Grade Arithmetic, Carl W. Hansen, 111–118.
Factors Which Affect the Salary of High School Teachers of Commercial Subjects in Missouri, Harry Pelle Hartkemeier, 132–138.
Flory, Charles D., Classroom Teachers Improve the Personality Adjustment of Their Pupils, 1–8.
Forecasting Achievement in Elementary Algebra, W. S. Guiler, 25–33.
Further Comparison of Interest Measurement by the Kuder Preference Record and the Strong Vocational Interest Blank for Women, Frances Oralind Triggs, 193–200.

Good, Carter V., Twenty-Five Years of the Literature of Research Methodology, 575–576.
Gray, William S., Summary of Reading Investigations: July 1, 1943 to June 30, 1944, 401–479.
Guiler, W. S., Forecasting Achievement in Elementary Algebra, 25–33.

Hansen, Carl W., Factors Associated with Successful Achievement in Problem Solving in Sixth Grade Arithmetic, 111–118.
Harap, Henry, Survey of Recent Developments in Consumer Education, 276–285.
Hartkemeier, Harry Pelle, Factors Which Affect the Salary of High School Teachers of Commercial Subjects in Missouri, 132–138.
Holding an Even Keel, Clifford Woody, 529–534.
How Teachers Solve Personal Problems, Percival M. Symonds, 641–652.
Hurd, Archer Willis, Problem of the Prediction of College Success, 217–219.

Identical Errors and Deception, Henry F. Dickenson, 534–542.

Jayne, Clarence D., A Study of the Learning and Retention of Materials Presented by Lecture and by Silent Film, 47–58.
Johnson, Harry C., Effect of Instruction in Mathematical Vocabulary upon Problem Solving in Arithmetic, 97–110.

Karstens, Harry, Estimating the Quotient Figure, 522–528.
Kearney, Nolan Charles, Sentence Length in 121 Representative First-Grade Readers, 449–461.
Kirkpatrick, Forrest H., Directional Tests in Educational Guidance, 145–145.
Kittle, Marian A., Trends in the Use of Statistical Tools in Educational Research: Articles, 34–46.

Lag in Clinical Research (The), Percival M. Symonds, 571–574.
Latin-American Content in Some Basic Tests in Use in the United States, J. Donald Neill, 173–182.
Leipold, L. E., Who Are Our Good Students, 529–533.
Lindman, Erick L., Equalization of School Support Among States by Federal Matching, 580–595.
Lins, Joseph, Origin of Teacher Improvement Services in the United States, 697–707.
Lommis, Arthur K., Curriculum Construction in the Journal of Educational Research, 565–570.

MacConnell, Charles M., Report on the New School Evanston Township High School, 291–297.
